Church Leaders & Coaches,

It's been a long and prayerful process to consider, plan and implement a 2021 Church League Basketball Season considering all factors. Though it's not a perfect situation, we are please to be able to offer a shorter season to churches and families to help teach the game of basketball and minister to children and teenagers during this very crazy season in their lives. Below are bullet point details of what you need to know to participate in this year's basketball league. Please call us if you have any questions.

- \* The League has been reduced to 8U, 10U, 13U and 17U and all are considered co-ed. Read the attached League Guidelines for full rules and game play details. **Team Rosters, Church Certificate of Liability as well as League Fees are due by Thursday, December 17.**
- \* Teams will be “guaranteed” at least four games.
- \* Tournaments for older teams will be considered at a later date
- \* We do not guarantee make up games, but will do what we can to make sure all teams get four games.
- \* No church will be allowed more than two teams in any league unless space allows and we may need to limit to one team depending on the age group.
- \* We suggest that teams try to limit teams to 10 players to aid in social distance of fans and total people at games. You can have additional players, but please be mindful of your numbers.
- \* Fans will be limited to two per player and must enter with the player. Fans can include friends if parents don't attend the game, but must enter with player. If a player has no fans attend, other payers can have addition spots, but the total fans must not equal more than twice the size of the team.
- \* Doors to the facility will be locked during the games and no additional fans will be allowed in once play begins. Teams will be able to enter the gym 15min prior to game time.
- \* All players, fans, officials and staff must enter with and wear a mask at all times. Additionally, temperature checks will be taken at the doors. Players may remove masks during game play - but we encourage them to wear during huddles and other close contact. Buffs will work best for players.
- \* Games will be spaced out from each other. Weeknight games will be held on Mon, Tues, Thurs, at 6pm and 8pm. Weekend games will be held on Saturdays at 9am, 11am, 1pm and 3pm.
- \* Each team must provide a few parent or coach volunteers to help sanitize team benches and bleachers after the game. Supplies will be provided.
- \* The cost for each team is \$250. Though this cost is about \$15 per game more than a typical season, this money will be used to help cover cleaning costs and provide a professional cleaning service to sanitize well at the end of each day/night of games.
- \* There will be no concessions sold this season and no team photos taken. Fans and players can bring snacks, but must be cleaned up following the game.
- \* If a league has too many teams to play each team once in this four game season, leagues will be divided into divisions. We will host a random drawing for league divisions online at our **Zoom Coach's Meeting on Monday, December 21 at 6:30pm.** Mandatory Zoom Coach Mtg Details: Join Zoom Meeting at this link - <https://us04web.zoom.us/j/71258254512?pwd=MUZLSnNrVFdZeHFSMTh3ZGdEN3hpdz09> or on the Zoom App - **Meeting ID: 712 5825 4512**

Any player, fan or official participates in this league at their own risk. Though we will work to help prevent the spread of COVID-19, participation in any activity like this has inherent risks and families must take that into consideration before participation.**

**I. Coaches need to inform league directors as soon as possible prior to games if any players or coaches test positive for COVID-19 or are quarantined so that we can confirm with our health officials about whether a particular game can be played based on player health status.**

XV. League Play Begins January 2, 2021.
