

Ebenezer Baptist Church

Newsletter

June 2022

In 1778, God led mission-minded Christians to start Ebenezer Baptist Church. When you examine our storied history, there are ups and downs, good times and hard times, and through it all we find people. People of faith. Men and women, working hard to find God's will for their lives and then each of them moving to pursue His will. It is what the church should be.

As I write this, I look back over 27 years on staff at Ebenezer. I see people. Some names almost everyone who reads this would know. And some you probably wouldn't recognize. This morning I started wondering what the next 27 years at this church will be... And the biggest thing that hit me was the fact that most of today's leaders of EBC will not be here in 27 years. And probably most of our names will be forgotten. But my prayer is that the church will go on. And that will ONLY happen if one thing is done:

If each member of Ebenezer seeks God's face and finds His will for each of our lives, and then lives in a relentless pursuit of that will. Whatever it might be.

God has a plan for US as a church. And that plan starts with YOU!!!!

David

There is one body and one Spirit — just as you were called to the one hope that belongs to your call — one Lord, one faith, one baptism, one God and Father of all, who is over all and through all and in all.
