November 2025

Does it even make a difference??

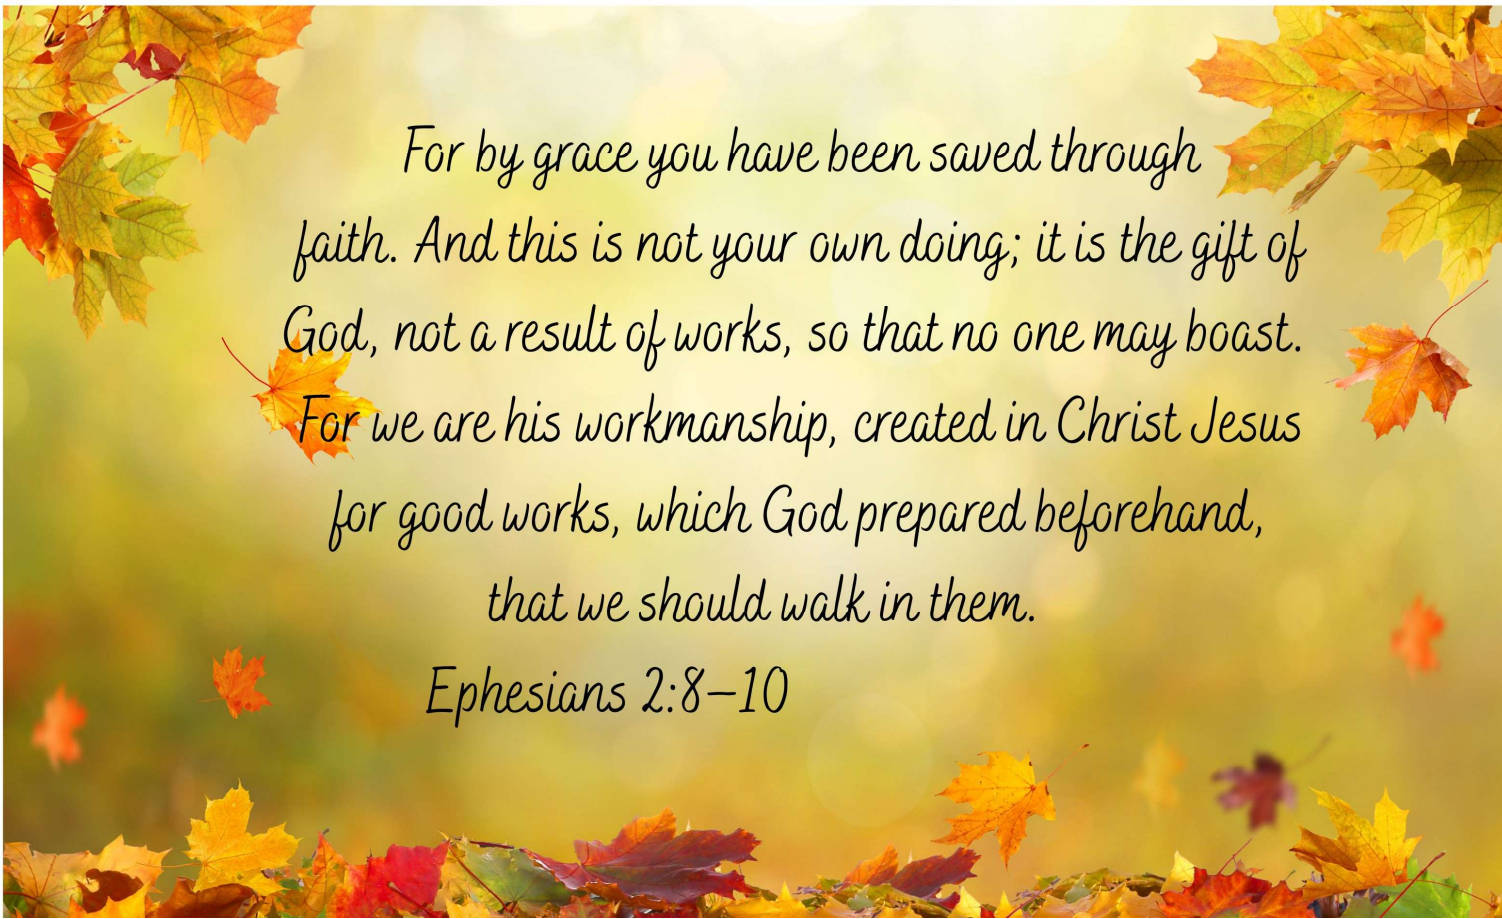

Have you ever asked that? You've worked hard to plan and prepare something, poured your heart and strength out to make it happen, and in the end you cannot even tell if it made a dent.

I am sure we've all been there. And we will be there again. There are times when we will see results. And times when we wouldn't....

Consider this: God has a much better view of everything than we have. If we are following Him in obedience, He will call us to do things that step beyond our control. And beyond our understanding. And that's a good thing.

Be obedient. Leave the results to God. Because sometimes it makes more of a difference than you and I could ever understand.

David

*For by grace you have been saved through
faith. And this is not your own doing; it is the gift of
God, not a result of works, so that no one may boast.
For we are his workmanship, created in Christ Jesus
for good works, which God prepared beforehand,
that we should walk in them.*
