The Year of the Difficult Path

That doesn't sound too appealing, does it? Who wants life to be more difficult? Why would I choose such a path?

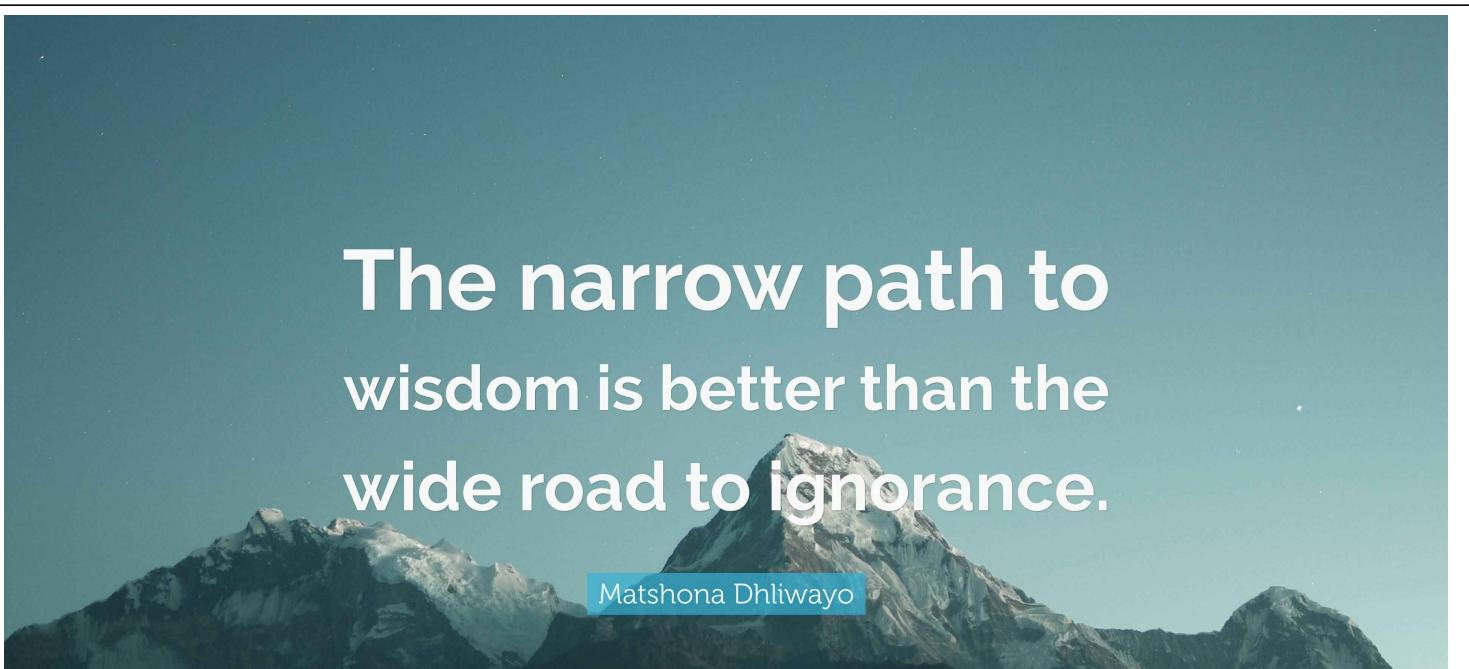

In 2026, we live for comfort. Efficiency. We want to gain a maximum impact for every effort we give forth. We want the most ROI we can get!!! (Return On Investment)

And that is exactly what Jesus called us to ... RIGHT?? A comfortable life that is all rainbows and fairy tales!!!

In the Sermon on the Mount (in Matthew 7), Jesus specifically told us that we might be drawn to the WIDE PATH and the WIDE GATE, but those who follow after Him would choose the narrow path. And the narrow gate. A gate that is harder to get through. A path that is harder to walk. Not for the sake of making life tough for us, but He said these things because the Way of Christ would be harder ... The world would make sure of it. But the more difficult way would actually lead to eternal life. The wide path leads to destruction, and many are on that path.

So ... This year, do your best to find the path that Christ has called you to. And KNOW that it might look narrow and difficult, but He will give us everything we need to make it. In the end, we will be glad we followed Him.

David

wisdom is better than the
wide road to ignorance.**
