

Time Rolls On

Until Christ returns, time will keep rolling!! That is an indisputable fact!! And until that day, we will experience the cycle of life all around us. It will get colder in the winter. It will be warmer in the summer. Babies will be born. People will pass away.

We have had too many funerals at Ebenezer as of late. But that, too, is a sign of the cycle of life. Unfortunately for my grandsons, they know what a funeral is. Well, kind of ... They know when "Papa" has to do one and have asked about what a funeral actually is. They already know about some of their ancestors who have gone on before them. (That is a GOOD thing in my book)

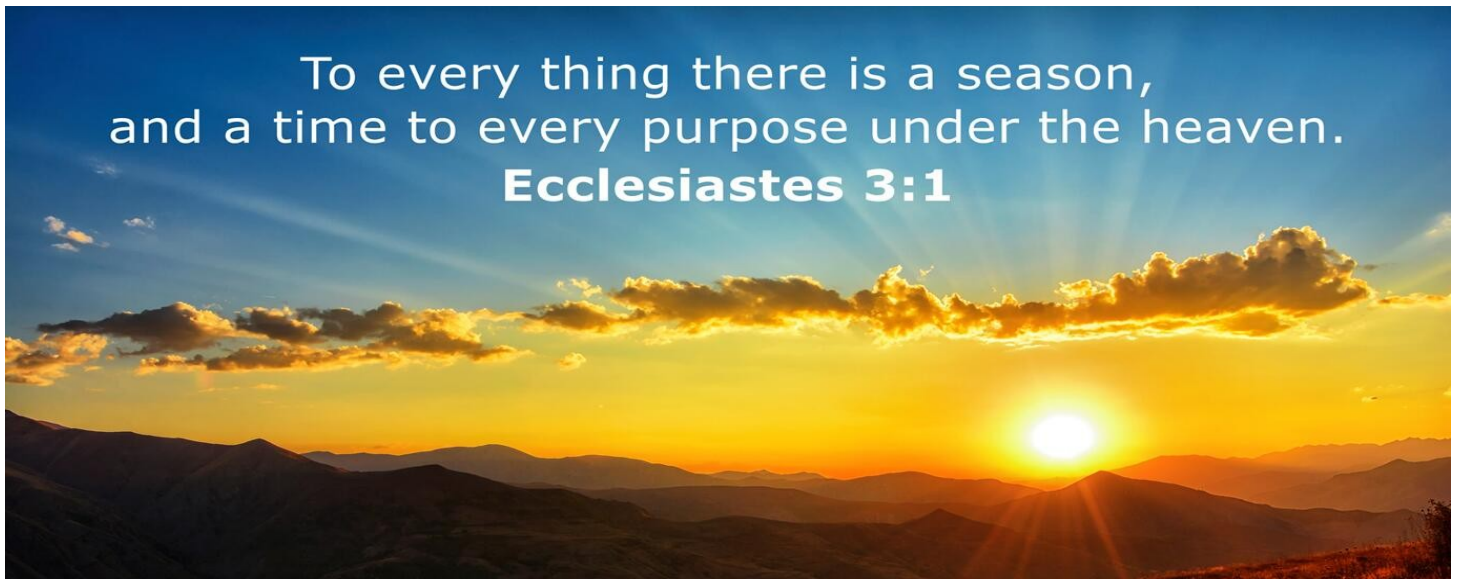

Yesterday, my oldest two were talking about their two-year age difference. "When I am 15, you will be 13. When I am 20, you will be 18. When I am 30, you will be 28." I couldn't resist that one ... "When you are 30, I will be 85. If I make it!!" "What do you mean, Papa?" "Well, If I live that long ..."

"When I play major league baseball, which team do you want me to play for?" "The Braves!! That way, it will be easy for me to come see you!!"

"Well, if you die before then, you'll just have to dream about it!!" (GULP)

"I will, buddy ... for sure ..."

Time keeps rolling. Do your BEST to build a legacy for Christ in those in your world.
David
